

HR Policy for a startup

This HR Policy Manual outlines the guidelines and expectations for all employees. As a startup, we value flexibility, integrity, and performance. These policies are designed to foster a productive and inclusive work environment.

1. Leave Policy

Our leave policy is designed to ensure employees have adequate time for rest, personal matters, and recovery.

- **Privilege Leave (PL) / Annual Leave:** 15 days per annum. Accrued monthly. Employees are encouraged to take at least 5 consecutive days off once a year.
- **Sick & Casual Leave (SCL):** 12 days per annum. Intended for short-term illness or urgent personal work.
- **Maternity/Paternity Leave:** In accordance with statutory requirements. 26 weeks for maternity and 2 weeks for paternity.
- **Public Holidays:** A list of 10 mandatory public holidays will be shared at the start of each calendar year.

Approval Process

All leave requests must be submitted through the HR portal/Email at least 2 weeks in advance for planned leaves (PL) and as early as possible for SCL.

2. Code of Conduct

The Code of Conduct defines the standards of behaviour expected from every member of the team.

- **Professionalism:** Maintain a high standard of professional behaviour, ethics, and integrity in all interactions.
- **Anti-Harassment & Non-Discrimination:** Zero-tolerance policy towards any form of harassment (sexual or otherwise) and discrimination based on race, gender, religion, or orientation.
- **Confidentiality:** Employees must protect all proprietary information, trade secrets, and client data during and after their tenure.
- **Conflict of Interest:** Employees should avoid situations where personal interests conflict with the interests of the startup.
- **Dress Code:** Smart casual. Employees are expected to be groomed appropriately, especially for client-facing meetings.
